Tears Of St. Lawrence

ALVIN ZEALOT

If thoughts and feelings, ideas and images are expressed by means of instruments, a cinema happens to turn into a concert hall. That's Alvin Zealot. On 'Tears Of St. Lawrence' untold stories, spinning thoughts and tricky ideas come across like a symbiotic relationship between scripts and trailer.

The astonishing mature but nevertheless frisky songs tend to make associations with a biplane (When Flood Crosses Light) taking to the skies through a ripply star-rain (Bricks Over Bricks). Or the songs take the listener for a ride on a steaming locomotive (Friend Or Foe) through desiccated oasis (Around, Around And Inside).

Their album 'Tears Of St. Lawrence' puts them in line with other debuting bands which stand out due to their pure joy to play. The music of 'Tears Of St. Lawrence' moves between bright melodies, upbeat rhythms, demanding harmonies and raging vocals. In a broad sense Alvin Zealot belong to the genre of Indie-Rock.

TRACKLIST: 1. Bricks Over Bricks (3:17) / 2. Straight Ahead Johnnie (3:17) / 3. Timeline & Glasses (3:24) / 4. The Dust And His Massive Chaos (3:48) / 5. No Vibrations (3:51) / 6.
